

# Your life insurance policy and the Aviva USA transition

## What happened?

- Athene bought Aviva USA's life and annuity business, with its primary focus on annuities
- Athene sold Aviva USA's life business to Global Atlantic
- Global Atlantic is renaming Aviva USA's life business Accordia Life
- In most instances, policies will go through a three-stage transition – from Aviva USA to Athene, for a brief period, before ultimately being assumed by Accordia Life.
- The Aviva USA to Athene transition happened in 2014. The final transition from Athene to Accordia Life is happening over the second half of 2015.

*Rest assured, during this transition period, our commitment to you has not changed. The benefits of your life insurance policy are not changed by this transaction.*
