

# Payment Options

We offer five convenient payment options for premiums due on preneed life insurance policies/certificates.

- 1 Online bill pay** Pay online at [www.globalatlantic.com/makeapayment](http://www.globalatlantic.com/makeapayment) from your checking or savings account and avoid payment service fees! Payments made using this service will be reflected on your policy the following business day.
- 2 Automatic bank draft** You can set your payments up on automatic bank draft at any point during your premium paying period as long as your policy/certificate is current. There are no additional fees for processing. Your bank will automatically facilitate your payment each month. Simply call customer service at (800) 331-8853 to get started today. Following the processing of your completed request, your next premium will be automatically deducted from your checking account.
