

Make it special

Personalizing your funeral is a wonderful way to celebrate your unique life. It offers friends and family the opportunity to reflect on your life. A memorable funeral may include:

- Favorite music or songs
- Reminders of hobbies or special interests
- A lifetime of photo memories
- Meaningful poems or readings
- A customized casket or urn

But like every celebration, a personalized funeral is more involved than a standard service, and requires prior planning. It's very important to write down the details ahead of time, and share them with family members. We can help you plan and record everything, and keep your wishes on file until the need arises.
