Taxable distributions (including certain deemed distributions) are subject to ordinary income taxes, and if made prior to age 59½, may also be subject to a 10% federal income tax penalty. Distributions received from a non-qualified contract before the Annuity Commencement Date are taxable to the extent of the income on the contract. Payments from IRAs are taxable in accordance with the normal rules surrounding taxation of payments from an IRA. Early surrender charges may also apply. Withdrawals will reduce the death benefit and any optional guaranteed amounts in an amount more than the actual withdrawal.
