

Pro-forma Impact of Certain Affiliated Reinsurance as of, and for, the Twelve Months Ended December 31, 2024

The following analysis presents information regarding the pro-forma notional attribution of capital and surplus, and income to Forethought Life Insurance Company (FLIC) as a result of certain funds withheld reinsurance arrangements with its Bermuda-domiciled reinsurance affiliates, Global Atlantic Re Limited (GA Re) and Global Atlantic Assurance Limited (GAAL). This information is provided for the single purpose of evaluating the financial position of FLIC in connection with a particular rating agency and should not be, and is not intended to be, used for any other regulatory, investment, or other purpose. This information is not prepared on the basis of generally accepted accounting principles, statutory accounting principles in the United States or Bermuda, nor any other comprehensive basis of accounting. This information should be considered together with the statutory filings of Global Atlantic Financial Group's insurance entities. In addition, the information presented below is unaudited.

Notional Attribution of GA Re and GAAL Capital and Surplus

The tables below include an allocation of statutory capital and surplus, pre-tax income and net income based on the following methodology:

- Any isolated capital is applied to the entity to which the capital relates to
- Surplus capital is allocated on a pro-rata basis based on total reserves (notwithstanding that some isolated capital may already be associated with some reserves)
- Income is allocated based off the allocation of capital described above
